File #400-A/C

Mr. Mark A. Wood
Wood's Produce Company
131 Cherry Creek Road
Meadows of Dan, VA 24120

Dear Mr. Wood:

This is in reference to your request to access Routes 58 in Patrick County between Route 639 and Route 835 East of Stuart, Virginia utilizing 53' long by 102" wide semi-trailers with no overall combination length as mandated by the Surface Transportation Assistance Act of 1982 (STAA).

Route 58 between Route 220 in Henry County and Route 835 East of Stuart in Patrick County is designated for travel by STAA vehicles. The Department of Motor Vehicles has approved the use of the section of Route 58 between Route 835 and your facility as requested, provided the stipulations stated in the enclosed permit are adhered to. We have combined the Special Use Permit issued earlier to you for access for Route 58 between Route I-77 and your facilities into this permit for your convenience. This "Special Use Permit", or a copy, must be carried in your vehicles, and any company's vehicles delivering to or from your facility, when using this routing and may be revoked if conditions warrant.

I hope this approval meets your routing needs within Virginia.

Sincerely,

Curtis W. Myers, Jr.
Senior Transportation Engineer
